BROKER COMMENTS

- Outstanding performance and seakeeping due to the deep V hull technology
- Use of space and ingenious design give her the feel of a much larger vessel
- With a generous fuel capacity, efficient operation and cruising speeds in excess of 30 knots, she is an ideal companion for longer voyages and an exhilarating craft for fun days at sea
- New service and new antifouling in 2023
- Exterior upholstery renewed in 2018

DISCLAIMER

In this case we are acting as Brokers only.

The Vendor is not selling in the course of a business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part.
